Greetings from the President

Springtime is a time for rebirth and renewal, admire and appreciate the daffodils peeking out through the snow.

GMCC is looking forward to rejuvenation projects to begin in the community. The Mondawmin Urban Green Space is on the corner of Bryant Avenue and Reisterstown Road discover their efforts are in full swing – cleaning planting beds and getting ready to plant seeds. Can hardly wait to see what mother nature brings forth.

Two \$20 million affordable housing projects will be developed from Enterprise Homes – Reisterstown Road and Liberty Heights Avenue and Windsor Avenue and Payson Street – construction forthcoming. What a wonderful addition to the community landscape.

The Porch Project is slated to kick off this spring – be on the lookout for the revitalization of this major gateway to our community – Gwynns Falls Parkway.

Take a load off at the Jazz in Bloom at the Conservatory – April 20th at 6 PM – join us for live jazz, demonstrations and much more – the event is FREE! GMCC is a proud board member of the Howard Peters Rawlings Conservatory and Botanical Gardens.

GMCC is participating in a rebranding/marketing effort to tell the positive story of our community – which will lead to more investment and development.

GMCC is working diligently to lift the communities and neighbors we serve.

I look forward to serving you.

Sincerely,

Jackie

GMCC BALTIMOREAN OF THE MONTH

Dean Flossie Dedmond
Coppin State College Arts & Sciences

Dr. Flossie McLain Dedmond, was a poet, writer and for more than three decades an English professor and revered administrator at Coppin State College (which is now Coppin State University). She died at the age of 93.

She was without a doubt one of the most dedicated and staunch supporters Coppin has ever known, 'said the former college president, Calvin W. Burnett. The deceased Rev. Harold A. Carter, Sr. pastor of New Shiloh Baptist Church in West Baltimore, where she was a member, described Mrs. **Dedmond as "a genuine Sojourner Truth in matters related to the advancement of Afro-Americans and all people in general. She drew strength from a deep spirituality and faith in God. She was a doer and made things happen."**

Mrs. Dedmond was born in Nashville, Tenn. A precocious child, she learned to read and compose music at an early age. She would later compose the school song for Allen University in Columbia, S.C.

She earned a bachelor's degree in English at Fisk University in the 1930s and a master's degree in speech arts at Columbia University in the late 1930s. She pursued post-graduate studies in English and speech at Ohio State University, and later received an honorary Doctor of Humane Letters degree from Allen University. Before taking her first post at Coppin, Mrs. Dedmond served in teaching and administrative positions at Allen University; Benedict College in Columbia, S.C; Knoxville College in Tennessee; and Morgan State University in Baltimore, MD.

In 1947, She was hired to teach English at Coppin. She later became head of the English Department and chaired numerous committees on curriculum, salary/promotional issues, counseling and accreditation.

She later became director of the Summer/Evening College Program and retired as Dean of the Arts and Sciences Division.

"The college, and the country for that matter, will not soon see an educator and educational leader whose skills and dedication compare with those of Dr. Dedmond," Mr. Burnett said.

In recognition of her long service, Dr. Dedmond was named Dean Emeritus when she retired in 1978. In 1993, the school named its first residence hall The Flossie M. Dedmond Center for Living and Learning. Before her death, she established an endowment to support the needs of students who live there.

Dr. Dedmond's poetry, book reviews, critical essays and radio scripts have been published in literary magazines. She was the author of a *Guide to Public Relations*. Used by the Alpha Kappa Alpha Sorority, of which she was a member for more than 50 years.

Among her many service positions, She was a member of the governor's Appellate Judicial Nominating Commission for more than six years. She was also a former national vice president of the National Council for Negro Women, and a life-time member of the National Association for the Advancement of Colored People (NAACP). In 1970, Dr. Dedmond was named one of the Outstanding Educators of America. She was inducted into the Baltimore City Commission for Women's Hall of Fame this year.

She was married to Dr. Frederick Dedmond, Dean of Foreign Languages at Morgan State University who preceded her in death.

Clean Water. Strong Communities.

Greetings,

BWB has been funded to bring our unique Photovoice Workshop Series to Mondawmin this Spring. The project can accommodate up to 12 participants, each of which will receive a stipend of \$40 for completing the project.

I'm hoping to find a location this week for the workshops and a public space for the exhibit so I can finalize the flyers. Do any of you have any suggestions? In Oliver, we actually did the workshops in the home of a participant. I'd also like to connect with someone local to Mondawmin that has photography experience that can be a lead photographer and community liaison.

Below are the dates of the work-

HARVARD UNIVERSITY

Eligibility for aid

Our generous financial aid program—bolstered by the [Harvard Financial Aid Initiative](#), which seeks to increase low- and middle-income students' awareness of Harvard's affordability—aims to make Harvard accessible to any student who is admitted.

- 20% of our parents have total incomes less than \$65,000 and are not expected to contribute.
- Families with incomes between \$65,000 and \$150,000 will contribute from 0-10% of their income, and those with incomes above \$150,000 will be asked to pay proportionately more than 10%, based on their individual circumstances.
- Families at all income levels who have significant assets will continue to pay more than those in less fortunate circumstances.
- Home equity and retirement assets are not considered in our assessment of financial need.
