RWCCO –AUGUST COMMUNITY NOTES

RWCCO AUGUST MESSAGE.....Even though we did not conduct any formal meetings during July and August, we’ve had a busy summer. Residents has been working to sponsor a community “Being Healthy” block party, Saturday, July 29th. Hope you will come out to support and pick up some valuable resource materials.

We’ve partnered with Episcopal Housing (owner of St. Stephens Court Apartments) and artist landry Randriamandroso, to construct a Mural for the corner of Warwick and W. North Ave. The Mural, “Wall of Wisdom,” will highlight – L to R Matthew Henson, Robert W. Coleman, William S. Baer, Fannie Jackson Coppin, St. Elizabeth Seton and Frederick Douglass. We reached out to the community Middle and High schools with a response from Connexions. The students have started working on the project. The mural will be displayed on a white wall that some of you have seen, in the 2400 Blk. W. North Ave. Area community residents have been invited to take part in this positive, educational adventure. Not sure of the completion time at this point.

Photo of kids working on the project.

Residents along with kids from the community worked to complete a vacant space, 2101 Walbrook Ave. This was an area in which, a house was demolished and as usual this space was destined to become a main street trash dump. This corner of Walbrook & Pulaski, is on the main thoroughfare leading into Mondawmin Mall. *It was a must that we take action.* Walbrook is our third green space community project plus the Quiet Park.

Movie Night is scheduled for a performance soon. Cancellation was due to equipment malfunction. C U @ 6 P.M. - Tuesday, September 5th, Robert Coleman Elem. School

Mentoring: Mentors are a key aspect of any successful person's journey. For those of us with criminal convictions, coming from disadvantaged backgrounds, or those who face crippling adversities, mentorship becomes a need for survival.

Educational Counseling: The program will help people navigate the sometimes-confusing college application process and the even more frustrating loan/grant process.

The best kind of fun is to be safe. Stabbing, killing, or even disrespecting another human being is for low-life. If you are hurting "GET HELP." If you have an addiction to drugs it is time to put on your big boy or big girl pants and use the tools available all over this city to aid you. Look in the mirror and address your situation honestly. Could you really do better if you applied yourself, got clean, and worked towards uplifting yourself instead of tearing everything including yourself down? It is a hard challenge but many people have walked in your footsteps and found success. The Police Department is not perfect, but there is more killings, shootings, violence being perpetrated by us than any other group. It is time to seek help. This institution is here to help you begin your journey.

IT'S EVERYTHING.
