Greetings,

On behalf of the Greater Mondawmin Coordinating Council – THANK YOU – for all that you do to keep our community safe and clean. We have neighbors who pick up trash everyday – HATS OFF – to Mrs. Pajardo who picks up trash every day in the Whittier-Monroe community. It takes all of us to clean and beautify our neighborhoods – every piece of trash you pick up makes a difference.

THANK YOU to all our neighborhood affiliates who reach out to young people with mentoring programs, guidance and many times a kind word. It takes all of us to encourage our young people. President Caldwell reads to the little ones at the Farmers Market at Druid Hill Park. Bring your little ones – they will receive a free book.

THANK YOU to Touchpoint Baltimore – we are the community partner. On Saturday, June 24th a drone workshop was held at TouchPoint Baltimore for 16 scholars. Global Air Media presented the workshop and each participant deconstructed then reconstructed a drone that they took home. The workshop was educational, engaging and so much FUN! Be on the lookout for more engaging events for the community.

It does not take much to make a difference to make someone's life better! If you would like to partner with us as a volunteer or supporter, please contact our office. The harvest is plentiful!

Keep the faith,

Jackie
