A PRAYER FOR OUR FATHER'S

Lord,

*We thank you for our fathers, who have gathered here today,
To praise your holy name, for giving them strength and courage
to make it along life's way.*

*We thank you for our fathers, who have loved us so well,
Clothed us, fed us, educated us, now we get a chance to tell,*

*To tell them how we love them, to tell them how much we care,
To tell them we are ever so grateful, because they were always there.*

June Presidential Greetings

Greetings All,

SPRING HAS FINALLY SPRUNG!

Happy Father's Day to those men who love and care for their children and mentor others. We salute you – you are the glue that holds the family together.

Be on the lookout for the Porch Project on Gwynns Falls Parkway – the gateway to our community - to be in full swing this spring. Nineteen porches will be repaired/renovated, and beautification projects will enhance the properties. GMCC partnered with Neighborhood Housing Services of Baltimore – we received a grant for this initiative from the Community Block Grant **Program and the State. Can't wait to see the transformation!**

The MNIA Trash Pilot Program has been established effective May 19th. Gwynns Falls Parkway is the gateway to our community. Trash and recycle receptacles have been placed on the corner of Reisterstown Road and Gwynns Falls Parkway. President Sandra Almond Cooper of MNIA is working with the residents to keep this area clean. Thanks to our community partners Whiting Turner Contracting Co., Inc., Department of Public Works and the Department of Housing for making this happen. Drive by and check it out – we are ELATED!

Global Air Media is hosting a Drone Summer Camp at TouchPoint Baltimore @ Mondawmin this summer – space is limited – check out the information in the Courier. This has proven to be an interactive and educational experience for our young people. The camp is free for participants and the kids get to take their drone home.

You are invited to the GMCC Board Meeting held on June 19th at 6 PM in the Community Room at Mondawmin Mall. This our neighborhood – come out and hear about the initiatives and let us know what concerns you and how we can work together for the betterment of all of us. Please email our office and let us know you plan to attend – office@greatermondawmin.org. Thank you for supporting the work of GMCC! We could not do this work without you.

Sincerely,

Jackie

COME OUT TO SEE US DURING OUR SUMMER BREAK...

The RWCCO met on Tuesday, May 1st. We are now making plans for upcoming summer projects to beautify our community and re-work the existing green spaces. Our special guests for the May meeting were members of MTA. The representatives presented highlights on their North Avenue Rising project. A number of you may have often heard their slogan, **“If you See Something, Say Something”**. The members of the RWC members shared their concerns regarding upcoming changes to North Avenue and their issues when riding the buses and Subway. The questions and issues are being addressed. We want to thank the MTA for their support to our residents and their daily riders. Other guest, were the 40th District candidates.
