## *September Presidential Greeting*

Greetings All,

Join your neighbors on September 15<sup>th</sup> for the GMCC Affiliates Clean Up. Please reach out to your community association president and find out what trouble spot in your neighborhood will go from eyesore to gem. GMCC received the Keep Maryland Beautiful Grant – lawnmowers, grabbers, trash bags, etc. have been purchased to support your cleaning efforts. It is not where you live but how. The clean up will begin at 9 AM – the more the merrier and the quicker the jobs can be accomplished.

CHECK IT OUT - The Porch Project on Gwynns Falls Parkway – the gateway to our community – HAS BEGUN! The contractors are in full swing – painting has begun – **and we are absolutely thrilled! Can't wait to see the finished product.** SPECIAL THANKS to Neighborhood Housing Services of Baltimore, Inc. for overseeing this important project – Dan, Lynette and Gretchen.

Mark your calendar – GMCC Board Meeting to be held on Tuesday, September 18<sup>th</sup> @ 6 PM – Community Room at the Mondawmin Mall. Summer is over and GMCC community associations have reconvened – please attend your community meetings. We want to hear from you and address your concerns. There is power in membership – please join your neighborhood association – you will also receive the GMCC newsletter – which is packed with important information.

This summer one hundred youth participated in Drone Workshops at TouchPoint Baltimore @ Mondawmin – GMCC is the community partner. Each youth received instruction and education from Global Air Media and each received a drone to take home. SPECIAL THANKS to our partners who financially supported this exciting opportunity – The Annie E. Casey Foundation, Venable, LLC, The Whiting-Turner Contracting Co., Inc. and Molina Pizze & Polpette at R House in Remington. Just sharing – Molina has the BEST pizza – check them out!

The Greater Mondawmin Coordinating Council serves as a resource to the neighborhoods we represent. Millions of dollars have been invested in our community and more is slated to come. September 11<sup>th</sup> is the groundbreaking for the New Shiloh Apartments on Windsor Avenue. Whiting-Turner Contracting Co., Inc. was the contractor and the building is FABULOUS – a beautiful addition to the Whittier-Monroe neighborhood.

If you would like to be a part of the GMCC movement become a member – for only \$20 you will receive our informative and resourceful newsletter. We connect the dots and want to hear your concerns.

Thank you for supporting the work of GMCC! We could not do this work without you.

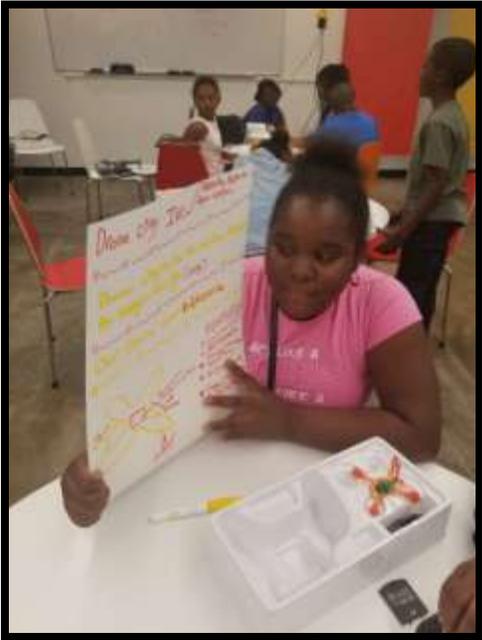

Sincerely,

*Jackie*

Jacqueline Caldwell  
President, GMCC

## ROBERT W. COLEMAN SEPTEMBER, COMMUNITY NEWS

---

**Upcoming Meeting: Tuesday,  
September 11<sup>th</sup>, Robert W.  
Coleman Elem School, In by 6:P.M.  
Out by 8:00 P.M.**

Welcome to a new fiscal season for the Robert W. Coleman Community Org. (RWCCO). We hope each of you had a safe and enjoyable summer. For the upcoming year we have been invited to join forces with Blue Water Baltimore for a Clean Water project. If you remember in 2014 & 15 our youth did a stenciling project of all the Storm water drains within the community. Not sure what is on board this time, but if it contributes to clean water and being healthy and a longer life we hope you will join in.

### **SEPTEMBER SALUTES (3)**

Salute to president, Hutchinson. As a member of the Alpha Kappa Alpha, Sorority, Inc. Epsilon Omega Chapter, our mission is *Service to All Mankind*. As chair of the committee, we partnered with the MD Legal Aid and hosted an Expungement Resource event, Saturday, 8/11. Seventy-one attendees were processed and 237 petitions created. Other services offered were Resume updates, job applications filed, mental health resources and physical health services.

Hardware for his help in keeping the Grassy area near the Apricot and Fig Tree, free of tall weeds and grass.

### **COMMUNITY VERTICAL BANNER**

We know it's been a while since we informed you of our vertical street Banners. Well, we ran into a snag with the original vendor; however, things are looking up. Keep your eyes on W. North Ave, within the Boundary of RWC and you will see our new identity. We couldn't have done this without the support of the residents and members of this great organization. *"Things Get Solved If You Get Involved"*

Shirley Scott, participated in the Health Dept, Narcan administering training for The Central Baptist Church. She is also a trained conductor of Health Freedom, Inc, which, lead individuals to walking to a healthier you and increasing daily fruits and vegetable intake. Participants are educated on the journey taken by Harriett Tubman and for you to assimilate by walking the distance for a healthier you.

Great work

### **EDIBLE GARDEN**

Thanks to the parents that allowed their children (Stephone and brother) to come out and work in our edible garden. Last week we picked Green peppers, hot red peppers and Tomatoes. We were late planting, but they are still growing. Our garden is in the Quiet Place. If you have a few minutes during the day, help up keep the weeding down so the vegetables will grow larger. We have a barrel for watering if you notice the need for plant watering.

Mrs. Dee Tillman, is entering into her fourth year as RWC, PTO president. She is looking for every student's parent to come out and be a special part for 2018-2019 school year. Mrs. Tillman, is a member of the New Shiloh Baptist Church, serves as a volunteer for the United Way organization and the Red Cross and the National PTO community. *"Always Making A Difference"*

# Auchentoroly Terrace Crtd 1676

Press event dedicating the new mural.

The New Auchentoroly Terrace Association is pleased to welcome a vibrant, new mural to the neighborhood: "DPW Every Day". The new mural was commissioned by the Baltimore City Department of Public

Works and Baltimore Office of Promotion and the Arts. The new artwork is nine panel mural, celebrating the civic contributions of the Department of Public Works employees that benefit the quality of life across Baltimore. The mural project was lead by celebrated teaching artist and muralist, [Gary Mullen](#), with the assistance of twelve Baltimore City youth, employed through DPW's summer Youthworks and YH20 job training programs. The mural was dedicated by representatives from DPW, BOPA, and ATA on Friday, August 17, 2018.

The location of the wall at Fulton & Druid Hill Drive was selected because of its proximity to both DPW's Park Terminal facility (directly south of the wall) and DPW's large scale water protection project at Druid Hill Park Lake, directly to the east.

Following the completion of the DPW themed mural, there are plans to work with the community to design a similar mural depicting the connection between the community and the recreational options afforded by the park, on the North side of the wall.
