PRESIDENT COURIER JULY,
MESSAGE

Greetings to our Greater Mondawmin friends, family and business members. Also, as previous, our Neighborhood Housing Services Coordinator, Ms. Turner is also back, but call to make an appointment as well.

Dear Members of the Community,

As the new President of Coppin State University (CSU), I am humbled to have the honor of leading and celebrating the role of this institution in the community of the Greater Mondawmin Coordinating Council (GMCC). Being new to the city, I am quickly learning about the wonderful people and organizations contributing to the enhancement of CSU. I realize that GMCC plays a similar important role as it seeks to transform our community and the city of Baltimore.

I commend the board, staff, and volunteers of the GMCC for being part of positive change in West Baltimore, since 1976. Whether offering educational programs, the Wisdom on the Wall of North Avenue project, front porch repair support, home-buying counseling and incentives assistance, youth festivals with workshops on finance, job preparation, entrepreneurship, or neighborhood improvement initiatives, I appreciate all that the council does for the area that surrounds our campus community.

I look forward to exploring ways we can partner to further benefit our community, in the future.

Sincerely,

Anthony L. Jenkins, Ph.D.
President, Coppin State University
